Jason and Elizabeth,

Good afternoon. Here's your copy of the U.S. Fish and Wildlife Service's letter to the U.S. Army Corps of Engineers regarding the proposed Villages at Vigneto (fka Whetstone Ranch) Development and Mitigation Parcels near Benson, in Cochise County, Arizona. The general purpose of this letter is to inform to Corps of my agency's need for additional information prior to completing section 7 consultation.

Please feel free to contact me if you have any questions.

Take care!

With regards,
